

puritii™

Compatible with ARIIX Puritii Filter Item# 263.010100

The ARIIX Puritii bottles are available in a sweat-less stainless steel or durable, flexible plastic. When used together, the Puritii Bottle and Puritii filter combine the power of science with the purity of nature to ensure a safe supply of drinking water anywhere in the world.

Puritii Bottle Facts:

- Customized, ergonomic design provides for easier handling
- Eco-Friendly: reduces empty water bottle waste by offering a re-usable bottle
- Custom base molding is cup-holder friendly
- Leak free, high flow, customized lid keeps out dirt & dust
- Toxic chemical free (BPA free & Phthalates free)
- Double insulated to keep liquids hot or cold longer (stainless steel)

Puritii Filter:

1. Tested & Certified: Meets and Exceeds NSF Standard 53 for removal of Giardia, Cryptosporidium, Bacteria & Virus.†
2. Exceeds NSF Standard 42 for Chlorine Removal.
3. Silver-based AquaSpear™ Antimicrobial Technology suppresses the growth of bacteria, algae, fungus, mold & mildew within the filter media.†
4. ZeoSleeve Technology incorporates zeolite, a natural silicate mineral with a high affinity for capturing heavy metals & radioactive substances.
5. Activated Coconut Shell Carbon reduces waterborne chemicals, improving taste & eliminating offensive odors.
6. Store filter in a cool dry place, do not freeze filter.

† AquaspearTechnology does not protect users against food borne or disease causing bacteria, viruses, germs or other disease causing organisms.
